UNIVERSITY OF CHICHESTER

BSc (Hons) Business Management and Finance

www.lsme.ac.uk

Overview

This BSc (Hons) programme has been developed in accordance with the QAA Subject Benchmark Statements for Accounting and Finance and Business Management degrees with the curriculum aligned to the benchmarks for knowledge and skills. The programme develops a range of cognitive and intellectual skills together with techniques specific to Business, Accounting and Finance.

Qualification Objectives

The degree programme aims to:

- Equip students with knowledge and understanding of organisations, the external environment and management.
- Provide students with knowledge, concepts and principles of the main functional areas of business including accounting and finance
- Develop knowledge and understanding of how accounting and finance skills underpin the practice of business management with an ability to apply these skills to the solution of work-based problems.

Intended Learning Outcomes

The degree programme aims to:

- Equip students with knowledge and understanding of organisations, the external environment and management
- Provide students with knowledge, concepts and principles of the main functional areas of business including accounting and finance.
- Develop knowledge and understanding of how accounting and finance skills underpin the practice of business management with an ability to apply these skills to the solution of work-based problems.

Entry Requirements

Entry to the degree programme is governed by the regulations of the University of Chichester and requires one of the following:

- A minimum of three 'A-Level' passes (or High School Diploma to age 18 where it is deemed equivalent), or
- A Pearson/Edexcel BTEC National Diploma
- An International Baccalaureate (28 points), or
- A recognised and relevant Foundation/Access to Higher Education course
- Entry via the foundation year is considered for individuals with many years of work experience and relevant skills, do not meet the entry requirement for the full degree, are enthusiastic about further studies and are able to pass our initial assessment test.

Learning, Teaching and Assessment Methods

Programme delivery includes; lectures, face-to-face training days, one to one tutorials, discussions, case study discussions, research work, group work, among others. All students will be guided at every step towards achieving their goals.

Progression (Pathway)

The degree qualifications provide the opportunity for further studies at ACCA & at Level 7 including MBA qualifications.
